

OPPI

LOGO DISPLAY AT OPPI ANNUAL SUMMIT

Wednesday, 23rd March and
Thursday, 24th March, 2022

#ResearchRedefined

The OPPI Annual Summit brings together dignitaries from the Government, healthcare experts, policy professionals, representatives from the pharmaceutical industry, patient groups, academia and media - from India and overseas. Through a well-researched theme, the summit sets the tone for dignitaries to discuss, deliberate, debate, network and collaborate on relevant topics, to chart out strategies for the healthcare sector.

The theme for this year's Annual Summit was: Changing Frontiers of Healthcare Research in a Dynamic and Digitized World. The Summit was hosted virtually on Wednesday, 23rd March and Thursday, 24th March 2022.
