## Synopsis

The Organisation of Pharmaceutical Producers of India (OPPI) has appointed Anil Matai as its director general. Matai has extensive experience in the pharmaceutical industry, having worked with companies such as Novartis India, GSK India, and Global Pharma. He has also served on the boards of several healthcare companies.

The Organisation of Pharmaceutical Producers of India ([OPPI](#)), the industry body that represents global multinational (MNC) pharmaceutical companies, on Monday announced the appointment of [Anil Matai](#) as its director general.

Anil Matai, a seasoned general management professional, has worked across MNCs including spearheading
