## ABOUT OPPI ANNUAL DAY

Established in 1965, OPPI represents the global research-based pharmaceutical companies in India, supports the nation's healthcare objectives and collaborates with all stakeholders to find sustainable solutions.

The Annual Day is a formal evening where OPPI members gather to celebrate their achievements and acknowledge the work done in various business fields including Marketing, Sales, HR, Communications and others.

OPPI's Annual Day is a great occasion to build the camaraderie of the OPPI fraternity. This year was the 56th year of celebration. The audience on the evening comprised of MDs, CEOs, CXOs of OPPI member companies, Winners of the OPPI Annual Awards, Jury of the OPPI Annual Awards, Key Opinion Leaders, Media Heads, Domain Experts and member employees.

## PARTNERS FOR THE EVENT

This year OPPI celebrated its 56th Annual Day on 12th December 2022, at the ITC Grand Maratha, Mumbai. We were supported by partners from our member companies.

8:00 PM onwards	<b>Cocktails &amp; Dinner</b>	

## KEY HIGHLIGHTS FROM THE SESSIONS:

Each of the key note sessions covered a topic that continues to be relevant and important for our members and for the sector as a whole. The first of the key note discussions was on healthcare innovation, followed by a hard-fact based discussion on perception building of pharma companies in media. Our third speaker spoke more on highlighting the nuances of using law strategically within the pharma sector gamut the fourth speaker gave a detailed analysis of the D&I policy and explained its intent within his organisation.

Each speaker kept the audience engaged and interested with their clever use of anecdotal examples and case studies, that were driven by data and insights. Overall every session helped the audience learn more and look forward to the next one.

### Keynote 1:

#### Healthcare Innovation – The Future and Beyond

**Vaibhav Tewari**  
Co-Founder & CEO  
Portea Medical

Vaibhav Tewari is the Co-Founder & CEO at Portea Medical ([www.portea.com](http://www.portea.com)), India's leading out-of-hospital healthcare company. Portea brings in-home to patients, the full range of preventive care, pre & post natal care, post-operative care, critical care, chronic disease management, palliative care and elder care services. Since its inception, the company has successfully served more than 10L+ patients across 40 cities in India. The company manages ~7L annual patient visits across India and works with top hospitals, Insurance and Pharma companies.

Vaibhav has more than 25 years of extensive experience in building new businesses across industries such as healthcare, business process outsourcing, technology, and supply chain management.

Vaibhav is an accomplished speaker and has numerous papers and articles to his credit. He is also actively involved in mentoring entrepreneurs; and serves as a Board of Director, Advisor and Mentor to many fast-growing companies across Internet, Retail Consumer and Technology verticals. He is a regular guest lecturer at leading management schools in India.

#### Insights:

- Healthcare has been through a massive change during and post Covid and the pace of Innovation continues to pick up.
- Looking at the key trends of changes in the next few years, how to leverage those changes for the pharma Industry.
- A brilliant way of putting together succinctly the intertwined relationship between digitization and growth!

#### Keynote 2:

#### Perception of global pharma in media

**Anju Ghangurde**

Executive Editor, Asia Pacific  
Scrip/ Pink Sheet

Anju is currently Executive Editor for the Asia Pacific region with Scrip and Pink Sheet. She has been a journalist for over two decades which includes stints at some of India's leading financial dailies -The Economic Times, Hindu Business Line and The Financial Express. She covers a range of topics across the pharma and biosimilar landscape. Drug pricing, policy and regulatory affairs, M&A and patents are areas of special interest to her. She is a recipient of the British Chevening Scholarship for Young Indian Journalists awarded by the Foreign & Commonwealth Office and also a huge sports enthusiast.

#### Insights:

- A seasoned journalist, to put the whole truth out there, her session, has given us lots of ideas on taking the brand positioning notches higher.
- Anju spoke about some of the long-standing perceptions of Global Pharma in the media and whether the pandemic has helped reset and redefine some of those. She emphasized the role of data and analytics that will help create and sustain the transparency and credibility of organizations and the media.

### Keynote 3: Strategy Legal Consulting -

#### Using law to create value and competitive advantage Perception of global pharma in media

#### **Dr. Milind Antani**

Lead - Pharma,  
Healthcare,  
Medical Device & Digital  
Health Practice,  
Social Sector Practice  
Nishith Desai Associates

Surgeon turned lawyer, Dr. Milind Antani leads the Pharma, Healthcare, Medical Device and Digital Healthcare practice at research-based international law firm, Nishith Desai Associates. Acknowledged as both a pioneer and authority in his domain, Milind has helped frame national policies in key impact areas of the healthcare sector including digital health and Med-tech space. His industry expertise has lent well to his representation of an array of marquee clients in matters allied to JVs, M&As, VC and Private Equity investments, Collaborations, Regulatory advice, IP, Licensing and Commercialization.

A global thought leader and a regular speaker at various prominent forums, Milind has been recognized and featured by many prestigious institutions such as the Who's Who Legal, Chambers and Partners, The Economic Times, Asia-Mena, Euromoney etc. Various national as well as international publications such as Digital Health Legal, a Cecil Media Publication, and Pharma Boardroom in UK continue to reach out to Milind for insights.

Milind has been an active participant in helping frame national policies on key impact areas, within the pharma , healthcare, medical device and digital health field. He is also recipient of certificate on “Managing and Transforming Professional Service Firms-India” an executive program organized by HARVARD BUSINESS SCHOOL.

#### Insights:

- Managers who view the law purely as a constraint, something to comply with and react to rather than to use actively, will miss opportunities to use the law and the legal system for increasing the total value. Law can be a great enabler to create competitive advantage.
- Law can be a great enabler to create competitive advantage. The session triggered the curiosity amongst Managers to use it actively, for more value generation.

#### Keynote 4:

#### Diversity & Inclusion Policy, Purpose and Intent

#### Srinivas P. M.

HR Head & Vice President  
India Sub-Continent  
Procter & Gamble

Mr. Srinivas has more than 20 Years of experience. He is an experienced human resources specialist with a demonstrated history of working in the consumer goods industry. Strong human resources professional skilled in Organizational Development, Employee engagement , Business partnering & Change Management.

He has completed his MBA from Symbiosis Institute of Business Management (S.I.B.M.), HR Nagpur University Bachelors of Engineering, Electronics

#### Insights:

- Anecdotal examples of putting a purpose behind the intent of the D&I programs at P&G, stirred up interest among our audience.

## CONCLUDING REMARKS

**Asawari Sathaye**

Director Communications and Patients Advocacy, OPPI

## OPPI ANNUAL AWARDS 2022 - POPULARITY POLL

Closer to the OPPI Annual Day, to keep the spirits high and to keep our audiences engaged OPPI created an online POLL. The members were requested to cast their vote to let us know who they think will be the winner at the OPPI Annual Day for the OPPI Annual Awards 2022.

The Poll results were displayed at the awards night before the final winners, as evaluated by the independent, external jury, were announced.

There were 888 members who voted across the categories.

## MEET THE JURY PANEL

A distinguished panel of external and independent jury members have evaluated the applications based on various judging criteria. Post the jury evaluation, the application with the highest total score is announced as a winner in the respective award category.

This year the jury members were invited on stage to express their gratitude and experience for evaluating the best of the best entries.

The dignitaries on stage felicitated the eminent jury members with a flower bouquet and a memento in recognition for their contribution to have given their valuable time and evaluated the entries for the year 2022.
